

REFLECTION:

Week 5 and 6 brought some nice sunny weather and students were able to enjoy some outside time at OSHC.

Michael, Tyler and Bailey enjoyed joining in spontaneous games of tiggy.

Jonathan and Maison loved singing and dancing together creating a strong friendship.

Alex and Sally played outside, creating a fun ball game and then threw the ball over the fence.

Brianna asked to make cookies for last week's cooking activity. Brianna enjoyed making cookies with her friends. The kitchen provides a safe place where she can make friends and bond over similar interest.

Summer made some peppermint scented playdough which she chose to colour blue.

Mali and Michael sat down quietly, colouring in some Marvel characters using the crayons.

Zara used her creativity to make a playdough character. Zara found a doll from the dollhouse and also made a playdough character for the doll to carry.

Sai, Michael, Sonny, Daniel, Nicholas and Olivia enjoyed colouring activities as they created a picture of their own desire. Their pictures were used together to create their own after school care story book.
