

#### REFLECTION:

Term 3 is off to a great start after the holiday program. Last week students dove into some amazing activities full of learning through play. Nicholas and Olivia enjoyed jumping on the trampoline together, creating a special friendship.

Brianna, Bridget, Sarah and Summer enjoyed baking some delightful cupcakes as suggested by Brianna last Wednesday. The following day Brianna, Matthew, Sarah and Summer were able to decorate and ice the wonderful cupcakes using pink icing, sprinkles and star decorations.

Etienne relaxed with pillows, soft toys and blankets, using his imagination to create a fun experience. Thank you to Yarrabah School for donating the soft toys which will be of great benefit to all students attending OSHC.

Michael used his creativity to engineer his own train track. He enjoyed driving the train through the completed track.

Harry, Nicholas, Jonathan and Hamish had fun splashing in the water in the sunshine. They filled up containers and toys then tipped it back into the trough. They enjoyed, pouring water over their hands and fully submerging their hands in the water to feel the cool sensation.

#### SERVICE INFORMATION

**School days:** 3pm- 6pm

**School holidays:** 7am – 6pm

**Website:**

[www.theircare.com.au/contact/](http://www.theircare.com.au/contact/)

**Phone number:** 0476 004 524

#### UPCOMING EVENTS

##### Planned activities for week 3 & 4

- Sensory play: cloud dough made with flour and oil
- Egg carton penguins
- Sponge painting
- Sensory balloons
- Salt dough ornaments

#### BOOKINGS

If you wish to add a casual booking, please provide 24 hours notification to ensure adequate staffing levels to effectively care for your child. Please contact Rebekah (TheirCare Educational Leader) on 0476 004 524.

If you are making an on the day booking cancellation (e.g. your child is sick or there is a change of pick up arrangement) please notify Lucy (Yarrabah OSHC coordinator) on 0459 868 746, Lucy will then update the school office, classroom teachers and TheirCare.

#### HOLIDAY PROGRAM:

TheirCare relocated the Term 2 School Holiday Program to Berendale School in Hampton East due to building works occurring at Yarrabah School over the holiday break. Well done to all TheirCare team members for their tremendous efforts in ensuring a smooth transition to Berendale School. Thank you to all the families for their understanding and flexibility during this time.

The first week the children arrived dressed up as their favourite superhero or villain. We went on a furry adventure to Chesterfield Farm where we met some friendly animals including chickens, cows, peacocks, emus, horses and many more. The children enjoyed Bounce for a jumptastic time. At school, Proactivity joined us and delivered a much-loved incursion experience. The s engaged in many sporting experiences including soccer, cricket and basketball.

The second week we kicked things off with a healthy cooking experience as the students made yummy quinoa salad with fresh healthy ingredients to fuel their body. The students experienced a fun billy cart ride and even helped build a little one for themselves. The sports museum was jammed full of fun as they walked around looking at the history of different sport teams and finished with interactive games of archery, netball, cricket and football.

Thank you to all the families for your continuous support, we love having your children at Yarrabah OSHC.

#### SUSTAINABILITY

If you have any recyclable material (e.g. egg cartons, toilet paper rolls, plastic bottles, empty boxes) you are able to donate to the Yarrabah OSHC program, it would be greatly appreciated. Thank you 😊
